2011 Kidney Challenge Walk

Presented by NAIFA (National Association of Insurance & Financial Planners) & Artone Manufacturing

The goal of the annual Kidney Challenge Walk is to raise funds for the Southern Tier Kidney Association which supports those in the Southern Tier who are affected by kidney disease, including helping kidney patients and living donors pay for the financial concerns often associated with Dialysis, a kidney donation, and/or a kidney transplant. All of the event proceeds are utilized to benefit Dialysis patients at WCA Hospital, kidney transplant donors and recipients through the WNY Kidney Connection, and enhance community awareness of kidney disease.

There are several ways you can support the Kidney Challenge Walk, including:

- Participate as a Walker - securing as many pledges as possible to support your efforts
- Organize a Team to walk together (challenge friends, co-workers and create your own Team T-Shirts)
- Sponsor a Walker - make a generous pledge
- Serve as an Event Sponsor
- Donate to release a Butterfly *In Honor of* or *In Memory of* a loved one (see reverse side of Pre-Registration Form)
- Make a gift-in-kind donation for the Basket Auction at the Walk
- Donate to the Southern Tier Kidney Association - make a tax-deductible gift

Our goal this year is to raise \$20,000 to purchase heated recliners for Dialysis patients at WCA Hospital.

The 2011 Kidney Challenge Walk will feature:

- ◇ Commemorative Event T-Shirt (must raise at least \$100 in gifts/pledges)
- ◇ Tribute Butterfly Release (12:45 p.m.)
- ◇ Kidney Disease Awareness
