

# STKA 9th Annual Kidney Challenge Walk

This year in addition to the ongoing support that is provided for kidney dialysis patients and staff, the Southern Tier Kidney Association would like to Purchase some much needed equipment for our peritoneal dialysis patients. As always, we would like to honor those who have given and received the "gift of life". Furthermore, the STKA would like to encourage prospective donors to consider helping to bring new life to the many who are on a waiting list.

Our goal is to raise \$15,000 to support the mission of the STKA by enhancing the lives of kidney patients (including those on dialysis), by supporting living kidney donors, and by growing the Richie Leeper Memorial Fund, an endowment fund for the benefit of the STKA through the Chautauqua Region Community Foundation. Our on-going fundraising efforts benefit dialysis patients served by DaVita at UPMC Chautauqua WCA kidney transplant donors and recipients through the WNY Kidney Connection, and enhance community awareness of kidney disease.

There are several ways you can support the STKA Kidney Challenge Walk, including:

- Participate as a Walker - securing as many pledges as possible to support your efforts
- Organize a Team to walk together (challenge friends, co-workers and create your own Team T-Shirts)
- Sponsor a Walker - make a generous pledge
- Serve as an Event Sponsor
- Donate to release a Butterfly *In Honor of* or *In Memory of* a loved one (see reverse side of Pre-Registration Form)
- Make a gift-in-kind donation for the Basket Raffle at the Walk
- Donate to the Southern Tier Kidney Association - make a tax-deductible gift

The 2018 STKA Kidney Challenge Walk will feature:

- ◇ Commemorative Event T-Shirt (must raise at least \$50 in gifts/pledges)
- ◇ Tribute Butterfly Release (1:15 p.m.)
- ◇ Live Music
- ◇ Kidney Disease Awareness
- ◇ Basket Auction
- ◇ 50/50's
- ◇ Free Hot Dog Meal for all Walkers & Volunteers

*Please join us for this family event which will enhance the lives of those affected by kidney disease!*
